19 Important information

What an ISA can offer you

The Financial Conduct Authority is a financial services regulator. It requires Barclays to give you this important information to help you decide whether our ISAs are right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

Welcome to tax-efficient saving

Quite simply, an ISA is an Individual Savings Account, one that's unique in that it allows you to save and invest money with valuable tax benefits.

Cash ISAs

Essentially tax-free savings accounts, with all the interest you earn within your cash ISA free of UK Income Tax, so long as you comply with ISA legislation. They are a good low-risk savings option. For the latest interest rates, see our Savings Rate leaflet or ask at one of our branches.

Some of our cash ISAs now offer ISA flexibility, meaning you're able to replace funds withdrawn from your cash ISA (excluding Help to Buy: ISA) within the same tax year without affecting your annual ISA subscription allowance. Refer to your T&Cs to find out more.

Help to Buy: ISA

A cash ISA available to first time buyers only. Deposit up to £200 per calendar month, including an additional £1,000 initial deposit in the first calendar month and claim a 25% government bonus towards your first home (subject to Help to Buy: ISA scheme rules).

Investment ISAs¹

These allow for 'tax efficient' investment in the stock market. Returns are free of UK Income and Capital Gains Tax (subject to ISA rules). As your money is invested in the stock market, the value of your investment and any income produced can go down as well as up, so you could get back less than you invested.

To explore the options, visit [barclays.co.uk/investments](https://www.barclays.co.uk/investments)

Innovative Finance ISA

A new type of ISA introduced by the UK Government on 6 April 2016, which allows interest and gains from peer to peer loans to qualify for tax advantages where these loans are made through an ISA.

Your ISA allowance

Every tax year, you're allocated a tax-free ISA allowance, and you can save up to this annual limit without paying any UK Income and Capital Gains tax on the interest or returns your ISA earns. This allowance is reviewed every tax year, which, in the UK, runs from 6 April to 5 April the following year.

Eligibility for ISAs depends on your personal circumstances. Rules around them could change in future.

¹Investment ISA is a stocks and shares ISA

How much can you save each tax year?

Your ISA allowance

There are a number of different ways you can choose to use your ISA allowance. We've summarised these options, and how much you can save this tax year.

You can use your £15,240 allowance all in a cash ISA, all in an Investment ISA or in a combination of both. As a third option, you can now use part or all of your ISA allowance in an Innovative Finance ISA (not available through Barclays).

Tax Year 2016/2017 (6 April 2016 to 5 April 2017) Total ISA allowance £15,240 ²		
Option 1 A cash ISA	Option 2 An Investment ISA	Option 3 A mixture of both
You can put up to £15,240 in a cash ISA. However, monthly deposit limits apply to Help to Buy: ISA, so the maximum you can pay in each tax year is less than the ISA allowance.	You can put up to £15,240 in an Investment ISA.	You can put up to £15,240 in either a cash ISA or an Investment ISA or a mixture of both.

Option 3: 2016/2017 tax year

For example, if you were to subscribe £5,240 in a cash ISA in the 2016/2017 tax year, you can invest up to £10,000 in an Investment ISA. Your overall annual ISA allowance must not be exceeded.

How you could use your ISA allowance

In any tax year you can only subscribe to one cash ISA, one investment ISA, and one innovative finance ISA (not available through Barclays). These can be held with the same provider or with two separate providers.

For more information, visit the HM Revenue & Customs website at www.hmrc.gov.uk

²Annual ISA subscription limits are subject to review. The Government's favourable treatment of ISAs may not be maintained.

Save towards your first home with a Help to Buy: ISA

Backed by
HM Government

Is a Help to Buy: ISA right for me?

If you're saving for your first home you can save up to £200 a calendar month with a Barclays Help to Buy: ISA and the government will boost your savings by 25%. That's a £50 bonus for every £200 you save. You can receive up to a maximum bonus of £3,000.

Open a Barclays Help to Buy: ISA

You can open a Barclays Help to Buy: ISA if you're saving for your first home. Please make sure you've read the account Terms and Conditions and are familiar with the Help to Buy: ISA scheme rules before applying. You can find a copy of the scheme rules at www.help Tobuy.gov.uk/isa

You can open a Help to Buy: ISA straight away when you call us, or visit one of our branches. You'll need to have your National Insurance Number to hand.

Save monthly

You can save up to £200 per calendar month in a Help to Buy: ISA, plus an additional initial allowance of £1,000 in the calendar month of opening.

How quickly can I save £12,000?

If you save the maximum permitted amounts, it would take you just over four and a half years to earn the maximum bonus of £3,000.

What happens if I've already paid in to a cash ISA this tax year?

You can still Transfer-In existing ISA funds you may have paid in during the current tax year to a Help to Buy: ISA.

Please remember that your current tax year cash ISA subscription must be transferred in full, and you cannot deposit more than the above limits.

Claim a 25% bonus from the government

Subject to meeting the Help to Buy: ISA scheme rules, you will be entitled to claim a government bonus equal to 25% of the closing balance of your Help to Buy: ISA.

You can claim the bonus whenever you choose, provided you have a minimum balance of £1,600 in your Help to Buy: ISA. The bonus is capped at £3,000 (on a savings balance of £12,000 or more).

What to consider before you apply for a cash ISA

Frequently Asked Questions

I've not used this year's cash ISA allowance yet. Can I open an ISA now?

To use your ISA allowance for the current tax year, in a cash ISA, your application and payment will need to have been accepted by us on or before 5 April of this tax year.

Do I need to pay money in to open my cash ISA?

You can fund your cash ISA from a Barclays account held in your name, or with a cheque made payable to yourself (cheques can be from your own account or from another person, made payable to you). If you're new to Barclays, make sure the funds you've set aside to subscribe to your cash ISA are available in your account when we open your cash ISA. The minimum deposit is £1 but if you are funding your cash ISA with a Transfer-In, you can open it with a nil balance.

What happens if I've paid in to another cash ISA this tax year?

You can still Transfer-In existing cash ISA funds you may have paid in during the current tax year to any of our eligible cash ISAs. Please remember your current tax year subscription can only be held in one cash ISA with one provider.

A Transfer-In to a Help to Buy: ISA is subject to a maximum amount of £1,200 in the calendar month of first deposit, and then £200 per calendar month thereafter. Any ISA transfer that exceeds these amounts will result in the excess being returned to you outside the ISA wrapper.

My deceased partner had an ISA with Barclays. Can I inherit their ISA allowance?

A surviving spouse or civil partner of an ISA customer who has died can make additional subscriptions to the value of the deceased person's ISA in addition to their own ISA allowance. Please contact us for further information.

What if I already have a cash ISA with Barclays?

You can continue to pay in to your existing cash ISA with Barclays. If you have gone a whole tax year without paying in to your cash ISA, we will ask you to make a new ISA declaration before you subscribe. Alternatively, you can open up one of our eligible cash ISAs and Transfer-In any or all of your existing cash ISA balances.

I have a number of cash and Investment ISAs and I want to consolidate them

Where you have ISAs with subscriptions from previous tax years, you have the ability to consolidate these into one or more of our eligible cash ISAs. To consolidate your cash or Investment ISAs you need to use the Transfer-In service – see page 10 for details. This action will not impact on your annual ISA allowance for this year.

What if I need to access my money?

Some of our ISAs allow you to replace funds withdrawn from your cash ISA within the same tax year without affecting your annual ISA subscription allowance. For example, if you withdraw £5,000 from your ISA and put this amount back in the 2016/2017 tax year, you would still be able to subscribe up to the full £15,240 ISA allowance until 5 April 2017. Please refer to your T&Cs to find out more.

Can I get my application in now for the next tax year?

No, you can only apply for a cash ISA for the current tax year as we don't accept future-dated applications. If you want to apply for a cash ISA for the next tax year, please contact us from 6 April. However, you can set up a future dated payment into an existing ISA prior to the start of the tax year.

Transfers-In

Moving your money

If the terms of the product allow, you can transfer money between any type of ISA held with any ISA provider. To protect the tax-free benefits you've built up in your existing cash ISAs, you must use the correct Transfer-In process.

Why Transfer-In?

If you have ISAs with other providers and/or Barclays, transferring them into one of our eligible cash ISAs allows you to consolidate your money.

You should assess all available options before you Transfer-In your ISAs to ensure it is the best option for you. Remember to refer to the terms and conditions of the ISAs you are Transferring-In to Barclays. If your current ISA has a notice period or fixed rate, there may be charges or penalties if you Transfer-Out your ISA from your other ISA provider.

How to Transfer-In

If you are an existing Barclays customer, you can open one of our eligible cash ISAs and Transfer-In your ISA(s) in branch, by phone, online or Mobile Banking.⁶

If you are a new customer, you will need to open one of our eligible cash ISAs in branch and then you will be able to Transfer-In your ISA(s) in branch, by phone, online or Mobile Banking.⁶ See page 12 for details of the information you will need to provide.

⁶Online, Telephone and Mobile Banking are subject to registration.

When can I Transfer-In?

With an instant access cash ISA you can Transfer-In, provided the product allows this, at any time.

With a fixed term cash ISA Transfers-In may be allowed within a fixed period, please refer to the terms and conditions of the current issue to find out more.

When you open one of our cash ISAs that allow Transfers-In, you have the option of entering your transfer details immediately or at a later date.

What happens then?

Once you have provided your details, we will contact your existing ISA provider/s to arrange the transfer, and advise you of progress along the way so that you know when your funds have been received.

When do you receive interest on Transfer-In funds?

Interest will be earned on your transferred funds when they are credited to your cash ISA.

What can I transfer in?

You can transfer in the whole or partial balance.

How to apply for a cash ISA with us

In branch, online or by phone

You need to be age 16 or over to subscribe to an instant access cash ISA and 18 or over to subscribe to a fixed term cash ISA or an Investment ISA. Please make sure you've read the account Terms and Conditions and the previous sections for important things to consider before applying.

You can open a cash ISA straight away when you visit one of our branches. If you're an existing Barclays current account customer, you can also use Telephone Banking or Online Banking⁷ to set up your cash ISA.

If you don't have an account with Barclays or only have a savings account, call into your local Barclays branch and speak to a Personal Banker – they'll be happy to process your application for you.

+ To apply, existing customers will need:

their National Insurance number.

+ New customers will need:

- their National Insurance number
- a current full UK passport or UK photocard driving licence
- proof of address.

Please note: If you don't have these documents, you'll need to produce an alternative document to confirm your identity and another document to confirm where you live, such as a recent utility bill no more than three months old. You also need to be a resident in the UK. However, Crown employees serving abroad and their spouse or civil partner may also be eligible to open an ISA.

For further information on the documents we accept please call us.

+ To request an ISA Transfer-In you also need the following details of the ISA you're transferring from:

- Your ISA provider name
- Account details (eg sort code and account number or plan/reference number).

⁷Online Banking and Telephone Banking are subject to registration.

Make the most of your cash ISA

Flexible deposits and regular payments

Take full advantage of your cash ISA allowance, by paying in:

- a lump sum for the whole tax year
- ad hoc amounts
- regular monthly payments.

If you are setting up a standing order, please make sure that:

- the standing order stops before the end of the tax year if you want to open a different cash ISA in the next tax year
- you're not exceeding your ISA allowance (see page 5 for the current limits) when you add up your standing order payments and other credits from subscriptions over the complete tax year
- for Help to Buy: ISA you're not exceeding the monthly deposit limit that applies.

Important Information

If you open or have an instant access cash ISA you can make subscriptions at any time.

If you open or have a fixed term cash ISA you can only make subscriptions as detailed in the specific product information section of the relevant interest rate leaflet.

If you're a Barclays current account customer, you can also pay in or withdraw by:

- calling us to arrange a transfer of funds from one of your Barclays accounts
- using our Online Banking service⁷ by visiting [barclays.co.uk/isa](https://www.barclays.co.uk/isa)

How do cash ISAs work with our Offset Mortgage?

If you have an Offset Mortgage arrangement with Barclays, an instant cash ISA can count towards the savings you are using to offset your mortgage. However, fixed term cash ISAs and Help to Buy: ISA cannot be offset.

Interest won't be paid on your cash ISA balance but it may help reduce your mortgage repayments or pay off your mortgage more quickly, as you're charged debit interest only on the difference between your mortgage amount and the credit balances in your offset current and savings accounts.

To find out more, just call into your local branch.

Investing with Barclays

Potential for greater returns with an Investment (stocks and shares) ISA

You may want to consider how an Investment ISA can help build your financial future. You can hold some of our investment products inside a tax efficient Investment ISA.

For information on ISA limits please refer to page 5.

Choose to invest in lump sums or use our regular investments service for monthly subscriptions starting from £50 (available for funds only).

The investments we offer are designed to be held for the medium-to-long term – usually 5 to 10 years – and their value, and any income they produce, can go down as well as up, so you could get back less than you started with.

Visit our website to find out more about our Investment ISA and the options available to you.

Changing your mind: your cancellation rights

You can close your cash ISA at any time. However, if you do so within 14 days of the opening day of your account, or within 14 days of receiving the terms and conditions (if later), the agreement between us will be cancelled. We'll return your funds to you and, subject to ISA HM Revenue & Customs conditions, you'll still be able to open another ISA with us or another ISA provider. Your full annual subscription limit will remain. If you want to cancel your ISA, call into your local branch. This subscription will not count towards your current tax year's ISA allowance.

Protecting you from fraud

As a security measure, the Financial Conduct Authority (the banking regulator) has asked banks like us to review the information we keep on all our customers, new or not. To open an account for you, we therefore need one original document to say who you are, and another to confirm where you live.

Once we have copies of these documents on file, this should be sufficient for any additional accounts you open in the future.

Information about the Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS), the UK's statutory deposit guarantee scheme. The FSCS pays compensation to eligible depositors if a bank is unable to meet its financial obligations. Most depositors are covered by the scheme.

Investments

Most types of investment business are covered for up to a maximum limit of £50,000.

Deposits

The Prudential Regulation Authority is a financial services regulator. As one of our regulators, the Prudential Regulation Authority requires us to give you the FSCS Information Sheet and accompanying Exclusions List to help you understand whether and how your deposits are protected. You should read this document carefully and then keep it safe for future reference.

Additional information

Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £75,000 by the Deposit Guarantee Scheme.

General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £75,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £75,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Barclays Bank PLC also trades under Barclays, Barclays Bank, Barclaycard, Barclays Business, Barclays Capital, Barclays Corporate, Barclays Stockbrokers, Barclays UK & Ireland Private Bank, Barclays International Private Banking, Barclays Premier, Barclays Private Bank, Barclays Wealth and Woolwich Mortgages. This means that all eligible deposits with one or more of these trading names are in total covered up to £75,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £75,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
- (b) a death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;

(c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under www.fscs.org.uk

Limit of protection for joint accounts

In case of joint accounts, the limit of £75,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £75,000.

Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £75,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within ten working days from 1 January 2021 to 31 December 2023; and within seven working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within seven working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within five working days of a request. Again, there are specific exceptions to this obligation.

In the case of a depositor which is a large company, where the FSCS cannot make the repayable amount available within seven working days, it will, from 3 July 2015 until 1 December 2016, ensure that you have access to your covered deposits within 15 working days of a request containing sufficient information to enable it to make a payment, save where specific exceptions apply.

In the case of a depositor which is a small local authority, where the FSCS cannot make the repayable amount available within seven working days, it will, from 3 July 2015 until 1 June 2016, ensure that you have access to your covered deposits within 15 working days of a request containing sufficient information to enable it to make a payment, save where specific exceptions apply.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under www.fscs.org.uk

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.

Financial Services Compensation Scheme

Exclusions List

A deposit is excluded from protection if:

- (1) The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, building society or credit union.
- (2) The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.
- (3) It is a deposit made by a depositor which is one of the following:
 - credit institution
 - financial institution
 - investment firm
 - insurance undertaking
 - reinsurance undertaking
 - collective investment undertaking

- pension or retirement fund (unless they are deposits by personal pension schemes, stakeholder pension schemes and occupational pension schemes of micro, small and medium, sized enterprises)
- public authority, other than a small local authority.

The following are deposits, categories of deposits or other instruments which will no longer be protected from 3 July 2015:

- deposits of a credit union to which the credit union itself is entitled
- deposits which can only be proven by a financial instrument (listed in section C of Annex 1 of Directive 2014/65/EU; for example, transferable securities, money market instruments, units in collective investment undertakings, options, futures, swaps, forward rate agreements and other derivative agreements and contracts for differences) unless it is a savings product which is evidenced by a certificate of deposit made out to a named person and which exists in a Member State on 2 July 2014.
- deposits of a collective investment scheme which qualifies as a small company (under the Companies Act 1985 or Companies Act 2006)
- deposits of an overseas financial services institution which qualifies as a small company (under the Companies Act 1985 or Companies Act 2006)
- deposits of certain regulated firms (investment firms, insurance undertakings and reinsurance undertakings) which qualify as a small business or a small company (under the Companies Act 1985 or Companies Act 2006) – refer to the FSCS for further information on this category

For further information about exclusions, refer to the FSCS website at www.FSCS.org.uk

Your feedback

We want to hear from you if you feel unhappy with the service you have received from us. Letting us know your concerns gives us the opportunity to put matters right for you and improve our service to all our customers.

You can complain in person at your branch, in writing, by email, or by telephone. A leaflet detailing how we deal with complaints is available upon request in any of our branches, from the Barclays Information Line on **0800 400 100*** or at **barclays.com**. Alternatively you can write to Barclays, Leicester LE87 2BB.

If we do not resolve your complaint internally to your satisfaction, you may be able to refer it to the Financial Ombudsman Service at Exchange Tower, London E14 9SR (Tel: **0300 123 9 123***). The Financial Ombudsman Service is an organisation set up by law to give consumers a free and independent service for resolving disputes with financial firms. Details of those who are eligible complainants can be obtained from the Financial Ombudsman Service.

Calculating interest

Details of how your interest is calculated and when it is paid are shown within the 'Savings Rate' leaflets.

Interest will be paid tax-free so long as you comply with the relevant ISA legislation.
